CAMPAIGN TO BE OPENED 23RD

County Candidates to Speak
For Democracy Thursday
Night.

AT THE COURT HOUSE.

The Public is Invited to Come
Out and Learn of the
Issues.

The Democratic campaign will be opened in this city Thursday night, at the courthouse, with speaking by all of the county candidates. It will be the formal opening of what is going to be one of the hottest campaigns ever waged in Christian county.

The Democratic nominees are all good and clean men, strong with the people and popular with members of all parties and they will draw much support from the Republicans, by reason of the protest against the perpetuation of what is known as the courthouse ring, which has been in power for many years.

The speaking Thursday night will be a veritable shelling of the woods in which the ring candidates are concealed and once they are driven from cover there will be something doing until Nov. 2. The campaign will be active, aggressive and tireless and the speakers will give many good reasons for overwhelming the ring with defeat in November.

Fire Saturday afternoon damaged the residence of Mrs. A. G. Boales, on East Sixteenth street to the extent of several hundred dollars. The flames originated from a fire and the cook room was rendered worthless by the flames, while the dining room was partially destroyed, and the main building was damaged by water. All of the furniture was removed and some of it was damaged also.

ON THE BALLOT.

Democratic Nominees Will
Not Be Left Off this
Time.

The officers of the two Democratic conventions at which the county ticket was nominated on yesterday filed the proper certificates of nomination with the county clerk and the ticket this time will be on the official ballots without any doubt. The fact that the last ticket was not on the ballot, by an unfortunate oversight, cost the nominees hundreds of votes in the county.

DEFENDANTS

In Night Rider Cases Removed to Union City.

Union City, Tenn., Sept. 17.—A flurry of excitement was created here yesterday by the arrival of the seven night rider defendants who have been kept in Jackson since the supreme court reversed their cases. They were Garrett Johnson, Sam Applewhite, Tid Burton, Roy Ransom, Fred Pimon, Bob Huffman and Bud Morris, Arthur Clear having been returned here several months ago by order of the court on account of being ill with typhoid fever. He has since fully recovered.

These defendants were brought back here for the purpose of allowing them to make bonds in the sum of \$25,000.

CAME TO IRRIGATE

Thirsty Excursionists From
the Dry State of Tenn.

A large excursion came in over the Tennessee Central Railroad yesterday at 2:30 o'clock from Nashville and intermediate points. Most of the excursionists were negroes, but there were many white people. A great many of the visitors carried suit cases, telescopes and grips in their hands that appeared to be empty. P. S.—Immediately following their arrival, the saloons did a rushing business.
